BUFFET-STYLE PACKAGING

PERFECT FOR LARGE GROUPS AND OFFICE PARTIES

This economical packaging method allows your guests to sample from a variety of menu options you select.

We offer buffet-style packaging on the majority of our menu selections from the categories specified below. Your entrees will be accompanied by your choice of steamed white rice, fried rice, or both.

To assist you in determining your volume selection, standard 'Lunch Specials' are a 16 oz (pint) serving, therefore a foil pan would typically serve 6 people. Let us know how many people you are serving so we can provide you with the necessary condiments. Paper plates, napkins, and silverware are available on request.
